

Dear Member,

You will know that we are in another lockdown until the 2nd December and therefore, the club is closed. We hope to reopen, all being well, on Friday 4th December. We have had to cancel the film night for November but the one in December will go ahead. We are arranging for another Quiz Night on Saturday evening the 5th December which will be organised by our President Nick Coleman. A general plea has gone out – not too many hard questions this time please! The last quiz was well attended and very enjoyable, particularly as we are restricted on numbers – 24 in the large club room only. Please pre book via Enquiries at Anmer Club if you wish to attend. The club will open at 7 p.m. with the Quiz starting at 7.30 p.m. Assuming we are back in Tier 1 and under Curfew it will finish by 10 p.m. as we have to close the club at that time.

We have our Grand Christmas Draw sheet up on the notice board – there are not many squares filled in, perhaps not surprisingly with the club being closed for a month. The committee will make a decision at our meeting (on Zoom) on the 18th November whether to put that back and make it a Grand Easter Draw instead. The minutes of the meeting will be put up on our website.

If anyone has any ideas for future events through January to March, please let us know. We have received details of the film dates available already.

We hope to continue with our Bingo Evening on the 7th December. Again pre booking is required through our website. The last one was very successful and everyone who attended thoroughly enjoyed the evening. There were some lovely prizes too.

Film Night on the 11th December – Military Wives – some of you may remember how it all came about with their men away in Afghanistan. They formed a choir and it just grew from there. We do of course, have our own Military Wives choir at RAF Marham and they do many concerts and they are very good too.

18th December is our Christmas Music Night with George King on keyboard. There will be mulled wine courtesy of our Trustee Issy Plumstead (and it's a stonker) plus mince pies and sausage rolls to help soak it up. Any donations of food would be very welcome. Numbers to me by the 15th December as previously advised, to book your place as we are limited still on numbers although we can use both rooms that evening and let me know if you can help out by bringing some mince pies and sausage rolls. They don't have to be homemade! Christmas is busy enough as it is.

Can I ask you all to keep an eye on our website as any changes to the club opening will be on there particularly if lock down continues as politicians promises (Boris did promise it would end on 2nd December) disappear like snow in the sun!

Best wishes,

Dorothy
