

NEWSLETTER – NOVEMBER 2021

Dear Members

Such a fantastic Bonfire Night – thanks to all who attended and enjoyed a spectacular firework display and a magnificent bonfire. Many thanks to Lee Suckling and his helpers for organising it all. Thanks also to my helpers for their help with serving the soups, hotdogs and rolls. Fortunately the rain held off and it was a dry night.

We have a film night this coming Friday – details on our events page – and on Saturday the Pie and Mash. It is now fully booked with 32 people attending. On the 19th November, we have our popular quiz night and raffle. Any donations to the raffle are gratefully received and do help the club funds. In December, we have another film night on the 10th December, the Bingo on the 6th and a quiz night and raffle on the 3rd.

Most important and calling all parents, grandparents, great grandparents etc. and not forgetting the children: On the 18th December from 12 until 3 is our Christmas Party. As you know we have two real reindeer coming to visit us with their elves to look after them. We have called them Prancer and Dancer as we know that neither of them has a red nose!

The reindeer will have their own food with them called Reindeer Moss. They're not allowed to eat anything else so please do not come with armfuls of carrots. I will ask the elves about this and let you know if there is any change. An adult must accompany any child to see the reindeer as we don't want to frighten them with lots of loud noises. There will be plenty of time to go and see them several times as they are in their pen at the side of the club house until 3 p.m. So no need to all rush out at once.

Santa and Mrs. Claus will be arriving in their horse drawn trap and I am sure we will all be out to see them driving in. They will also have some elves with them so listen out for any jingling noises. Santa will have some goodies in his sack to give out to good boys and girls.

There will be light refreshments – crisps, mince pies, sausage rolls – available and the bar will be open for the adults to refresh themselves. There are soft drinks for the children. Some games will be organised including pin the nose on Rudolph. If any child would like to dress up there will be a small prize for the best dress up. There will be paper and colouring pencils so if you wish to make a Christmas card for your family you can do so. Again, the best drawn one will win a small prize.

We haven't yet managed to source someone to do face painting but we are still looking. Cost for the event is £5 per head so apart from drinks at the bar, nothing else has to be paid for.

Please contact me to book and I do need to know the names, ages and gender of any children attending so that we can let Santa know. Numbers are limited so book early to secure your place.

I look forward to seeing you at our various events.
