11. Any Other Business

Dorothy to chase start date from Mark Pigeon (apologies if spelling is incorrect) re the hard standing area outside the back door round to the veranda.

The bar rota was discussed and it was felt that committee members should carry out bar duties at least once every 6 weeks.

Dorothy also commented that the Committee should be seen to support club events where possible.

Cleaning: Teresa advised the Committee that she had received several complaints/queries with regard to the cleaning of the club's outside area which to be quite frank is not up to scratch. It was agreed that Sheridan will be asked to attend the club on the eve of an event to ensure that the veranda is clean (including seating and tables).
